MIB#93612 MEB#94012

We are pleased that you have decided to affiliate with Certified Environmental's Radon Measurement Business (MEB) for radon testing in New Jersey. We are looking forward to working with you and providing quality radon measurements.

Please take a moment to review the quality assurance plan attached. Please acknowledge that you have received, reviewed, and understand the information provided in the Certified QA Plan by signing and dating this letter and returning it to Certified.
